Australian Association for Environmental
Education (WA Chapter)

Supported by

presents:

Cultural Competency in the Early Years

Tuesday 22 June 2021,
5.00pm – 7.30pm

Function Room at City of Cockburn Admin
9 Coleville Crescent, Spearwood

Join Little Green Steps, funded by the City of Cockburn, to learn vital cultural competencies with guest speaker, Nick Abraham of Warrang Bridil.

We invite centre managers and educational leaders to increase their knowledge and understanding of Noongar people's heritage to help close the gap and improve their service so we can move forward together with our children in reconciliation.

This workshop is sponsored by City of Cockburn so attendance is subsidised for educators within this region. A fee of \$25 applies for educators from outside the City of Cockburn.

"Wonderful learning experience"

"Thank you for getting me motivated!"
