We will explore hands-on ways to close the loop of organic recycling with early years in the Hilton Harvest Community garden space.

In this fun interactive workshop we will:

- Learn about waste;
- Meet the City of Fremantle Waste Educator to learn where waste goes and how they can support you;
- Explore Hilton Harvest community garden to guide further adoption of organic recycling practices.
- Hear what others are doing to reduce waste in their early childhood services; and
- Take away activities you can run with children to help them learn how to reduce waste.

Participants will also receive the 2020 Update of the Little Green Steps WA early childhood waste reduction kit.
