# Little Green Steps WA & Australian Association for Environmental Education (WA Chapter)

presents:

## Sustainable Loose Parts Play in Early Years Settings

Thursday 24th February 2022, 5.30 pm – 8.00 pm

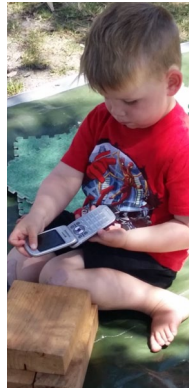

At the Canning River Eco Education Centre (CREEC) Canning River Regional Park, Cnr Kent Street & Queens Park Road, WILSON

Join Little Green Steps WA and Loose Parts Play experts for ways to engage children in loose parts learning that will stimulate exploration, creativity, independence, problem solving and self-confidence ... to name a few of the sustainable outcomes nurtured in child wellbeing.

As loose parts learning is open-ended, multi-purpose and multi-sensory, the combinations of child-led play that can lead to real word sustainable learnings is endless.

### Workshop Includes:

- Laying the Foundations of Loose Parts Play using creative re-use suitable for Babies and Toddlers (through heuristic play),
- Ideas, Activities and Inspiration for developing and using 'real life' small parts, nature and loose parts in sustainable learning,
- Links to the EYLF and NQS,
- Connection to other Early Years educators in this space,
- Development of a Loose Parts Play Provocation Kit.

*"Wonderful learning experience"*

*"Thank you for getting me motivated!"*

This workshop is **subsidised** for services within the City of Canning. A fee of \$20 applies to non City services.
