- Meet the City of Kalgoorlie waste education officer and learn where waste goes and how you can be supported to minimise your impacts;
- Explore links to the NQS, EYLF and Australian Curriculum;
- Hear what others are doing to reduce waste in their early childhood services; and
- Take away activities you can run with children to help them learn about waste issues.

Participants will also receive the 2020 Update of the Little Green Steps WA early childhood waste reduction kit.
