

Little Green Steps WA & Australian Association for Environmental Education (WA Chapter)

presents:

Cloth Nappies in Childcare:

a workshop to progress the use of reusable nappies
for Early Years Educators

Wednesday 14th June 2023,
5.30PM – 7.30PM

Nido Early School, 303 Egerton Dr, Aveley, WA

Little Green Steps WA with the Nappy Guru, ran a trial using Cloth Nappies in Childcare in 2022 and we want to share with you.

Join us to learn how your Childcare setting can support cloth nappy use and create less nappy waste... We are all part of the solution, so carers and early years educators are invited to this workshop to dispel myths about cloth nappies and learn ways we can return to cloth nappy use in childcare

Workshop will explore:

- Systems which Childcares can use to support cloth nappy usage (including BYO cloth, Nappy Washing Service & ancillary nappy systems).
- Hands-on interactions with the easiest cloth types, ways to use & care for them and washing solutions relevant to Childcare settings, all shared by 'the Nappy Guru.'
- Ways to meet 'Staying Healthy in Childcare standards' with regard to cloth nappy use.
- AND Case studies to show it works.

REGISTRATION CLOSES ON
13 JUNE 2023
