

# Little Green Steps WA & Australian Association for Environmental Education (WA Chapter)

presents:

## Cloth Nappies in Childcare:

Little steps you can take to avoid nappy waste and support reusables in Childcare

Wednesday 8 November 2023,  
6.00PM – 8.00PM

Port Early Learning centre, 62 Wheeler Road, Hamilton Hill

Little Green Steps WA with the Nappy Guru have got lots of sustainable Childcare solutions for you!

Join us to learn how your Childcare setting can support cloth nappy use and create less nappy waste... We are all part of the solution, so carers and early years educators are invited to this workshop to dispel myths about cloth nappies and learn ways we can support cloth nappy use in childcare

### Workshop will explore:

- Systems which Childcares can use to support cloth nappy usage (including BYO cloth, Nappy Washing Service & ancillary nappy systems).
- Hands-on interactions with the easiest cloth types, ways to use & care for them and washing solutions relevant to Childcare settings, all shared by 'the Nappy Guru.'
- Ways to meet 'Staying Healthy in Childcare standards' with regard to cloth nappy use.
- AND Case studies to show how other Childcares are doing it.
