 Education (WA Chapter)

My litter bag before!

Item	Smell	Colour	Texture

My litter bag after

Item	Smell	Colour	Texture

Grotty bags

Little Green Steps WA &
Australian Association for Environmental
Education (WA Chapter)

You will need:

1. Section of stocking, trowel, plastic bag and tie, permanent marker and scissors.
2. Four or five types of food (eg: carrot, cabbage, celery, apple, cucumber. NO onion, bread or meat).
3. Four or five types of paper.
4. Four or five types of material.
5. Plastic straw and a piece of tinfoil.

To Make and Bury:

- Place the items in the stocking.
- Tie both ends and make small holes in stocking.
- Keep a record of materials in the bag.
- Bury in specified area making sure the tag remains visible on the soil surface.
